## Independent Auditor's Report

We have audited the accompanying statement of financial condition of Indiana Merchant Banking and Brokerage Co., Inc., as of June 30, 2008, and the related statements of income, changes in stockholder's equity, and cash flows for the year then ended. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We have conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion the financial statements referred to above present fairly, in all material respects, the financial condition of Indiana Merchant Banking and Brokerage Co., Inc. as of June 30, 2008, and the results of its operations and its cash flows for the year then ended in conformity with generally accepted accounting principles.

CERTIFIED PUBLIC ACCOUNTANTS

To the Board of Directors of  
Indiana Merchant Banking and Brokerage Co., Inc.  
Indianapolis, Indiana

We have examined the financial statements of Indiana Merchant Banking and Brokerage Co., Inc. for the year ended June 30, 2008 and have issued our report thereon dated July 28, 2008. As part of our examination, we made a study and evaluation of the company's system of internal accounting control, (which includes the procedures for safeguarding securities), to the extent we considered necessary to evaluate the system as required by generally accepted auditing standards. The purpose of our study and evaluation, which included obtaining an understanding of the accounting system, was to determine the nature, timing and extent of the auditing procedures necessary for expressing an opinion on the financial statements.

We also made a study of the practices and procedures followed by the Company in making the periodic computations of aggregate indebtedness and net capital under rule 17a-3(a)(11) and the procedures for determining compliance with the exemptive provisions of rule 15c3-3. We did not review the practices and procedures followed by the Company (1) in making the quarterly securities examinations, counts, verifications and comparisons, and the recordation of differences required by rule 17a-13 or (ii) in Section 4 (c) of Regulation T of the Board of Governors of the Federal Reserve System, because the Company does not carry security accounts for customers or perform custodial functions relating to customer securities.

The management of the Company is responsible for establishing and maintaining an internal control structure and the practice and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of control procedures and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the Commission's above-mentioned objectives. Two of the objectives of an internal control structure and the practices and procedures are to provide management with reasonable, but not absolute, assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition, and that transactions are executed in accordance with management's authorization and recorded properly to permit preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Stephen D. Price, C.P.A.  
H. Lynn Gartrell, C.P.A.

Frank T. Crislip Jr., C.P.A.  
Jason C. Lowe, C.P.A.

Because of inherent limitations in any internal control structure or the practices and procedures referred to above, errors or irregularities may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

Our study and evaluation made for the limited purposes described in the first paragraph would not necessarily disclose all material weaknesses in the system. Accordingly, we do not express an opinion on the system of internal accounting control of Indiana Merchant Banking and Brokerage Co., Inc. taken as a whole. However, our study and evaluation disclosed no condition that we believed to be a material weakness.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the Commission to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures were adequate at June 30, 2008, to meet the Commission's objectives. In addition, no facts came to our attention that would indicate that conditions of the exemption from the rule 15c-3-3 had not been complied with during the period.

This report is intended solely for the use of management and the Securities and Exchange Commission, and should not be used for any other purpose.
